

2008 FCS Extension State-wide Project Teams

OSU Extension Family & Consumer Sciences state-wide project teams emerge from identified critical issues. They are formed as needed by county-, center- and campus-based FCS Extension programming personnel. Intended to be short-lived, these teams develop, deliver and evaluate programmatic resources and educational publications, provide professional development in-services for colleagues, as well as opportunities for team members to develop and hone leadership skills.

TEAMS AT A GLANCE

HEALTHY PEOPLE

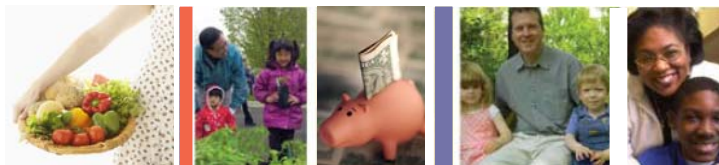

1. Community Nutrition Newsletter Team
2. Diabetes Education Team
3. Food Safety Team
4. Food Preservation Team
5. 4-H Nutrition Project Writing Team
6. Fruits & Veggies Marketing Project Team
7. Healthy Weight Management Team
8. Living Well Team
9. Sun Safety Team

HEALTHY RELATIONSHIPS

1. Child Care Provider Team
